Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative was contacted regarding a supplemental Examiner's Amendment regarding claim 110. It appears that claim 110 inadvertently included the term "S133L" in the claim language by omitting open and closed brackets around the term (as was done in similar claims). In order to maintain consistency in the claim language, it was suggested that a supplemental Examiner's Amendment be provided to Applicant, bracketing the term "S133L," and therefore removing the term by amendment. Applicant's representative approved this amendment..
